GUIDO CALCIANO

</h1>

WEB DEVELOPER

PROFILE

I've been working with human groups and teams of professionals for the last 10 years. Communication, flexibility and looking for consensus was an essential part of my job. In the last years I've taken my first steps into IT, and I'm excited to keep on learning and improving every day. I'm responsible, adaptable and great at teamwork. I'm currently looking for an exciting new project! Contact me for any questions!
