

GUIDO CALCIANO

WEB DEVELOPER

PERFIL PROFESIONAL

I've been working with groups and teams for the last 10 years, always fully committed with the task. After giving my first steps into IT, I'm excited to keep on learning and improving every day. I'm reliable and responsible, adaptable and great at teamwork. I'm currently looking for oportunities to develop my full potential and bring all my aptitudes and knowledge to a new project!
