GUIDO CALCIANO

</h1>

WEB DEVELOPER

PROFILE

I've been working with human groups and teams of professionals for the last 10 years, always giving everything from myself to exceed at the task. I've taken my first steps into IT, and I'm excited to keep learning and improving every day. I'm reliable and responsible, adaptable and great at teamwork. I'm currently looking for opportunities to develop my full potential and bring my aptitudes for an exciting new project!
